Well that's my question 'How to open the driver to insert a disk? A 'driver' is software, you can't insert a disk into it.. I can only assume the player is not up your standards or mine I don't understand why you bothered to place this DVD player in this Dell desktop.. Windows 8 tells me to insert the disk Jul 04, 2012 What exactly is the mode of your Dell computer? Is it a laptop or a desktop? Are you saying that in the computer there is no longer a button to press to eject the drive? Also, are you trying to open it to eject a CD inside? Or just want to load a CD in the drive? Please let me know so that I can help you further.. Start by pushing the drive's Eject button, a rarely labelled button that lives next to or on the disc drive on the front of your computer.. How To Open Cd Player On Dell Laptop KeyboardOpen Dvd Player On Dell ComputerHow To Open Cd Player On Dell Laptop 2017How To Open Cd Player On Dell Laptop Windows 10How To Open Cd Player On LaptopAs long as you insert the CD in the CD drive correctly (usually label-side up), playing a music CD is one of Windows 10 Media Player's easiest tasks.. I have been reading a lot of reviews which are very negative and I guess I will add to their remarks.. Best regards, Jess Nov 02, 2018 I have a Dell computer (Inspiron 24, 3000 series) an installed DVD player and it does not play.. May 09, 2018 If you can start Windows on your laptop, check Devices Manager you really have CD/DVD drive installed.. Start by pushing the drive's Eject button, a rarely labelled button that lives next to or on the disc drive on the front of your computer.. Windows Media Player jumps to the screen to play it, usually identifying the CD and its musicians immediately. e828bfe731 [Edimax Router Driver Free Download](#)
